My overall experience here was good and I would recommend this treehouse to my friends and family.					
My reservation record was accurate.					
The check-in process was timely and efficient.					
The treehouse was clean and comfortable.					
The treehouse was furnished appropriately.					
My bed and bedding were comfortable.					
The guest staff were knowledgeable and fully answered my questions about the area.					
Management was available to solve problems.					
All products and appliances were environmentally friendly.					
Easy to use waste system, e.g. able to separate waste into different categories.					
All linen and fabrics were sustainably and ethically sourced.					

Any other comments or suggestions?
